TS-188 Clear Wood & Floor Hardener

Harden Your Floor

TS-188 Clear Wood & Floor Hardener enhances the beauty, functionality and durability of your hardwood floor. Harden any of your exterior or interior wood surfaces with this premium quality clear gloss single component urethane.

An advanced formulation that provides outstanding adhesion and gloss retention. Provides a durable finish that has superior resistance to impacts, abrasion, marring and resists chipping, cracking and peeling.

Excellent for use on interior surfaces and wherever a rock-hard, clear, high-gloss finish is desired. Use it on floors, doors, trim, paneling, cabinets, soffits, furniture and more. This mirror-like finish adds elegance, depth and beauty to any wood surface you want to harden or protect.

Not recommended for exterior wood decks. Brush, roll or spray it on because it is easy to apply. Covers 400 - 500 square feet per gallon over smooth sealed surfaces. Will dry hard in 4 - 6 hours. Thin with TS 101 thinner. Available in quart, gallon or five gallon containers.
